

# Bohemia Manor Music Boosters

## It's time to welcome fall with some beautiful mums!!!

The Music Boosters will be holding our annual Fall Mum Sale from now until Wednesday October 2nd when all orders and payments are due. We need students and parents to *reach out to friends, neighbors and family* and ask them to **support the band and choral programs** with a mum purchase.

Please use the attached forms to take your orders or order conveniently online at <http://BMHSMusicBoosters.org/mums>! **PAYMENT AT THE TIME OF ORDER IS REQUIRED**. Return your order forms and payment to Ms. Preszler or Mr. Boland. Also attached is a flyer which you can hang up at your place of work, or other location. You can add your contact information to these if you like.

The mums are locally-grown at Tidal Creek in Earleville. As always (remember the past few years?), they are in 8-inch pots and are HUGE—a great value! Again, we will have white and purple mums in limited quantities, available online only!!! Be sure to place your orders early to reserve them.

**PICKUP IS TUESDAY OCTOBER 8<sup>th</sup> ONLY!** Mums will be available for pickup on Tuesday, October 8<sup>th</sup>, after school beginning at 3:00PM until 7:00PM. (you can offer to deliver to those who ordered from you). We will be setting up behind the school (at the fence/courtyard entrance). Signs will be posted.

We also plan to have a limited number of extra mums for sale if you know anyone who would be interested in a last minute purchase or forgot to order by the deadline. These quantities will be limited, so come early to get any available.

**As always, we will be looking for some volunteers to help us out— learning how we plan, take orders and arrange pick up for our plant sales. Booster members continually rotate off and we always need to have new members available from year to year.** Come out and ask questions— these sales have grown every year, and are one of the Boosters' primary fundraisers. The Music Department's success is dependent on your help and support!

If you are willing to help, or have questions about the sale, please contact any of the Boosters at the below email address, or email [mums@bmhsmusicboosters.org](mailto:mums@bmhsmusicboosters.org)
