

Bohemia Manor Music Boosters

Once again, it's time for the Music Boosters annual Fall Mum Sale!!!

Even if school is online only, we have decided to continue and offer our beautiful mums online, too! The Mum sale will run from now until Sunday September 27th, 2020, when all orders must be completed online.

Because we do not have the usual method of distribution, via flyers and order forms through the school, it is imperative that everyone (students and parents) *reach out to friends, neighbors and family* and ask them to **support the band and choral programs** with a mum purchase.

Please visit <http://BMHSMusicBoosters.org/mums> to place your order. Send the link to your friends, share it on Facebook, Instagram, Twitter! Get the word out so we can have the funds we need to continue to help the music program. **PAYMENT AT THE TIME OF ORDER IS REQUIRED.** Also attached to this letter a flyer you can hang up at your place of work, or other location. Or send to your friends. Or post online. You can be the focal point for a group – taking their orders, collecting their money and submitting one order online. Let's get creative!

As always, the mums are locally-grown at Tidal Creek in Earleville. They are in 8-inch pots and are HUGE—a great value! Again, we will have white and purple mums in limited quantities - be sure to place your orders early to reserve them.

To make things easier for everyone, pickup will be two days/times: **FRIDAY OCTOBER 2nd from 3:00pm-7:00pm** and **SATURDAY OCTOBER 3rd from 9:00am-1:00pm!** Again, you can offer to deliver to those who ordered from you. We will be setting up at the school. Signs will be clearly posted.

We should also have a limited number of extra mums for sale if you know anyone who would be interested in a last-minute purchase or forgot to order by the deadline. These quantities will be limited, so come early to get any available.

As always, we will be looking for some volunteers to help us out!! Booster members **continually rotate off and we always need to have new members available from year to year.** Come out and ask questions— these sales have grown every year, and are one of the Boosters' primary fundraisers. The Music Department's success is dependent on your help and support!

If you are willing to help, or have questions about the sale, please contact any of the Boosters at the below email address, or email mums@bmhsmusicboosters.org

Patrick Boland
Chorus Director

Jillian Laakso
Band Director

Katrina Webb
