

Bohemia Manor Music Boosters

Once again, it's time for the Music Boosters annual Fall Mum Sale!!!

Our Mum Sale will run online only from now until Sunday October 1st, 2023 at 5PM, when all orders must be completed online. We may have a few limited extras, but no guarantees. Buy early!!!

Sadly, we have had to raise the cost of the mums. Our cost has increased each year and we've been able to absorb that, but with the increased delivery prices (went up \$70 this year alone!!), we had to make the call, or be forced to stop the sale altogether.

Again, because we have a limited method of distribution, via flyers and order forms through the school, *it is imperative that everyone (students and parents) reach out to friends, neighbors and family* and ask them to **support the music programs** with a mum purchase.

Please visit <http://BMHSMusicBoosters.org/mums> to place your order. Send the link to your friends, share it on Facebook, Instagram, Twitter! Get the word out so we can have the funds we need to continue to help the music program. **PAYMENT AT THE TIME OF ORDER IS REQUIRED.** With this letter is a flyer you can hang up at your place of work, or other location. Or send to your friends. Or post online. You can be the focal point for a group – taking their orders, collecting their money and submitting one order online. Let's get creative!

As always, the mums are locally-grown at Tidal Creek in Earleville. They are in 8-inch pots and are a great value! We still offer white and purple mums in limited quantities - be sure to place your orders early to reserve them.

To make things easier for everyone, pickup will be two days/times: **FRIDAY OCTOBER 6th from Noon-7:00pm** and **SATURDAY OCTOBER 7th from 9:00am-Noon!** Again, you can offer to deliver to those who ordered from you. We will be setting up at the school, by the band trailer.

As mentioned, we should also have a limited number of extra mums for sale if you know anyone who would be interested in a last-minute purchase or forgot to order by the deadline. These quantities will be limited, so come early to get any available.

We WILL NEED volunteers to help us out!! Booster members continually rotate off and we always need to have new members available from year to year. Come out and ask questions—these sales have grown every year, and are one of the Boosters' primary fundraisers. The Music Department's success is dependent on your help and support!

If you are willing to help, or have questions about the sale, please contact any of the Boosters at the below email address, or email mums@bmhsmusicboosters.org

Madeleine White
Orchestra/Choir Director

Jillian Laakso
Band Director
